

SIT TO STAND WORKSTATIONS

Work with Flexibility & Comfort

Comfort & Versatility

Turn your Desk into a sit-stand workspace with easy height adjustment, for increased comfort and productivity. With one touch, you can switch your position to sitting or standing to keep a balanced level of movement.

Flexible use and spacious setup.

- Increase your comfort by changing your position from sitting to standing with one touch
- Place the sit-stand workstation on your desktop to create an ergonomic workspace
- Pneumatic arm with lever provides one-touch height adjustment

Go From Sit to Stand With One Touch

You can easily adjust the standing desk to match your exact height requirements, instead of selecting pre-determined heights. You can also adjust the tension according to the weight of monitors, laptops and other components on the platform, to make raising or lowering the workstation easy.

Customization Made Easy

This compact sit-to-stand workstation fits easily into your work space. You simply set the workstation on your desk surface, tabletop or another stable work surface

It Simply Sits on Your Desk

The workstation provides lots of space for writing notes or placing accessories on its base and a large keyboard tray that accommodates your keyboard and mouse.

Compatible with Dual Monitor Arms

You don't have to compromise on comfort or functionality. Support a Display of almost any size or configuration + Enjoy the flexibility of movement throughout the day. Take advantage of the freedom of a Sit to Stand desk without limitations
